

FOR IMMEDIATE RELEASE

Radiall is Awarded the Best Procurement Rating by Airbus

January 2011 - Radiall, a global manufacturer of leading-edge interconnect solutions, is proud to announce that it has been recognized for its best procurement rating among over 30 other suppliers by the Airbus Center of Excellence in 2010.

This most recent prestigious award and its previous Supplier of the Year awards by Airbus in 2006 and 2008 validates Radiall's commitment to its customers by providing only the best in products, service, quality and performance.

Radiall offers an extensive range of RF coaxial connectors and cable assemblies, coaxial switches, fiber optic and microwave components, multipin connectors and interconnect solutions. It has sales offices and subsidiaries throughout the world, R&D in the U.S., Europe and China, along with manufacturing facilities strategically located in the U.S., Mexico, India, and China.
